Ministry of Labour and Employment
Child Labour Section

Shram Shakti Bhawan, Rafi Marg
New Delhi- 110001, dated 10th Jan 2018

Subject: - Urgent action to be taken by Project Societies not enrolled on EAT module.

Ministry of Labour and Employment in its earlier communications to Project Societies had informed that the second instalment would be released to the Project Societies only if the Society is registered on EAT Module and a transaction is done on the module. In this regard, hands on training was also organised for all Project Societies at Delhi and consequent to which many Project Societies are now transacting on EAT Module. However, Ministry has received requests from some of the remaining Project Societies that they have technical issues on operating the EAT Module. In response to it, we are enclosing the list of State Project Monitoring Units in each State along with their addresses so that the remaining Project societies could contact these SPMU and sort out their problems in registering or operating the EAT Module. Further, a link of educative video on operation of EAT Module is also provided below to facilitate your functioning on the Module. It is requested once again to start operating on the EAT Module as soon as possible as the second instalment would be released to Project Societies operating on EAT Module.
